

## FILL A BAG (\$5.00) BOOK SWAP

To help prevent the summer slide and increase reading time, we would like to send our students off this summer with books to read. In order to do this we need your help!

- We are asking our SMS families to donate gently used books for grades K-8. The books will then be organized into grade levels.
- The students will be given a *NEW TOTE BAG* and will be able to fill up the **bag with books for \$5 dollars** to take home. The proceeds will go to building classroom libraries throughout the school. Please bring in your donations from May 27th to June 3rd.
- The Book Swap will take place in the cafeteria on Wed. June 12<sup>th</sup>.
